

Israeli-Palestinian Conflict

October 27, 2021 | Global Studies

Essential Question

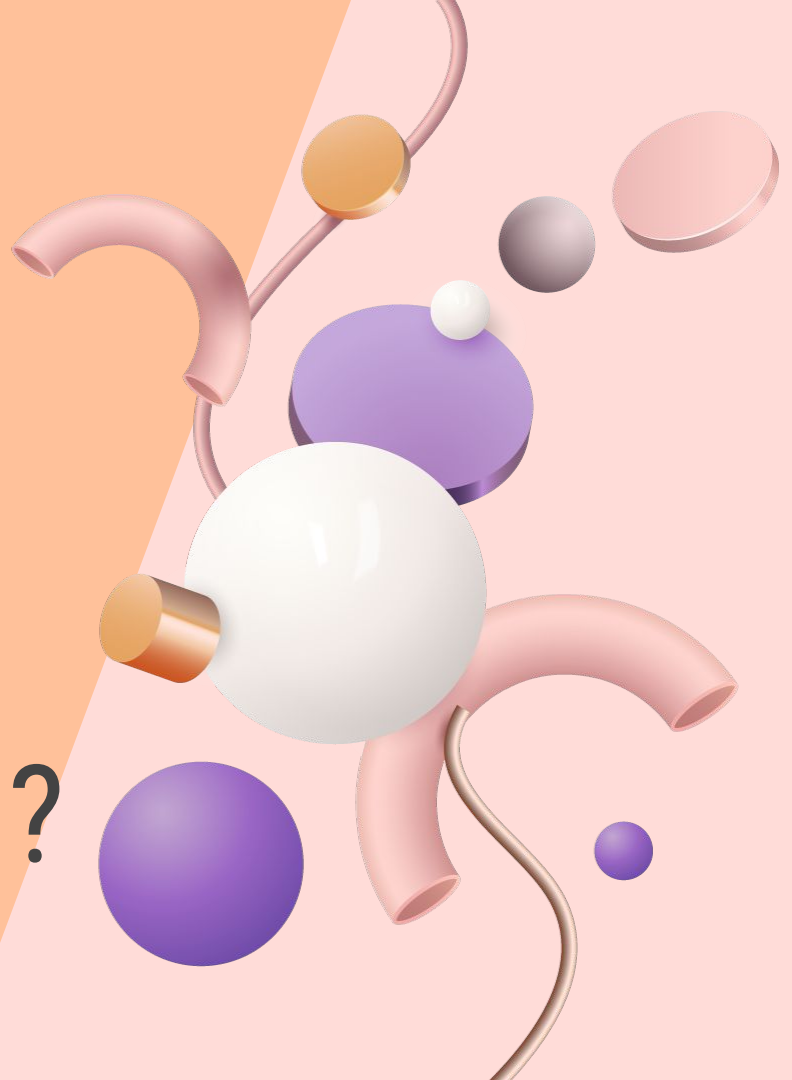

What is the Israeli-Palestinian Conflict?

Israel

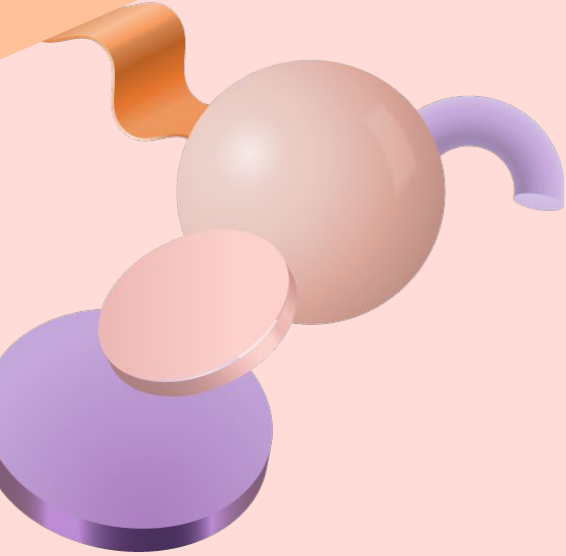

**But
First!**

**What is
Nationalism?**

Nationalism

- The idea that a specific ethnic or religious group of people should have their own state or country.
- Those who believe in nationalism think that their country is the best country to exist and that people within their nation are better than people of other nations.

Essential Question

What is the Israeli-Palestinian Conflict?

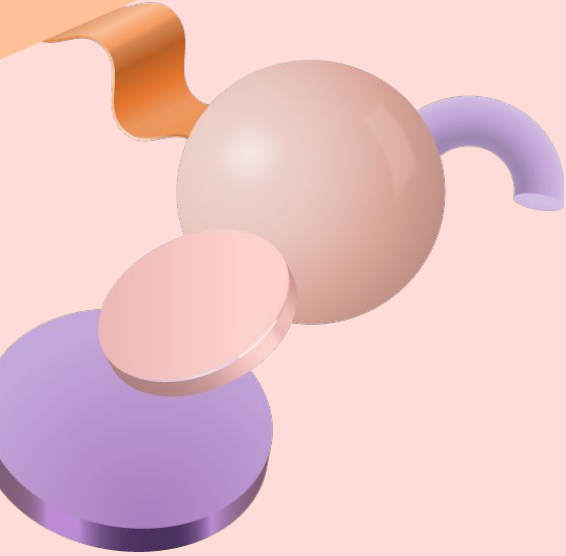

Secondary Source

Notes

- Open the “Israeli-Palestinian Conflict Perspectives Notes” document in Google Classroom.

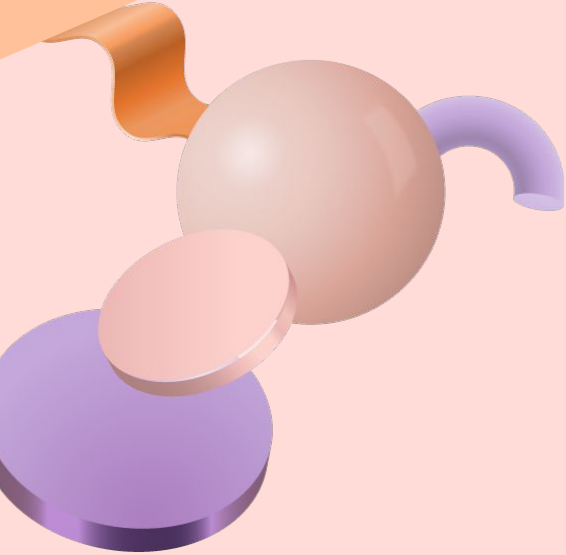

OR

- Pick up a hard copy from the counter
- Write the perspective of Israel on the left, and Palestine on the right

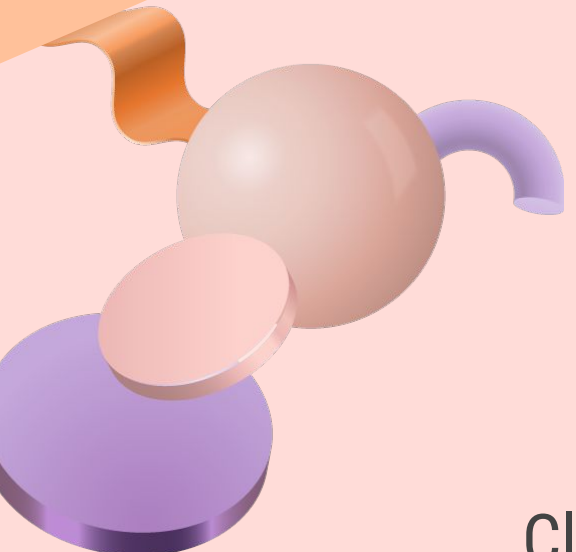

Partner Up!

- Work with a partner to learn both perspectives of the Israeli-Palestinian Conflict.
- One partner will read the Israeli perspective and the other will read the Palestinian perspective.
- **READ BY YOURSELF**

Reading Sections

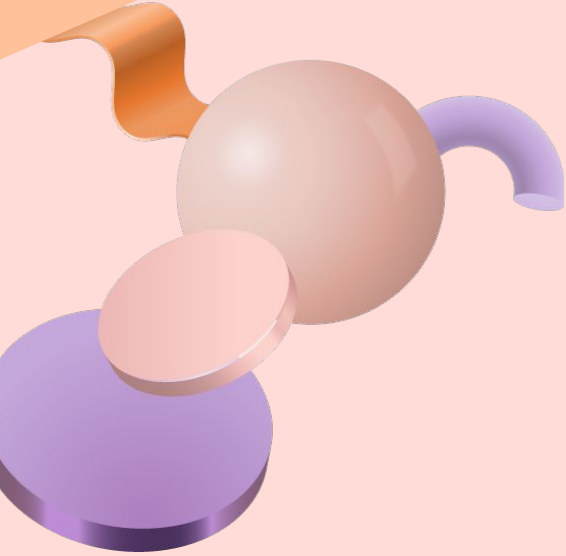

- 
2. Balfour Declaration: British Promise Jewish Home
 3. UN Partitions Palestine Into Two States
 4. The Six Day War
 5. The First Palestinian Intifada Erupts
 6. Israel Unilaterally Withdraws From Gaza

Words I Don't Know

- 2 minutes - get the gist of your section and look for words you don't know
- Write/type those words down

Origins of Conflict

Jewish Immigration to Israel

Israeli

Perspective

Escaping religious and ethnic persecution; wanted ancestral homeland

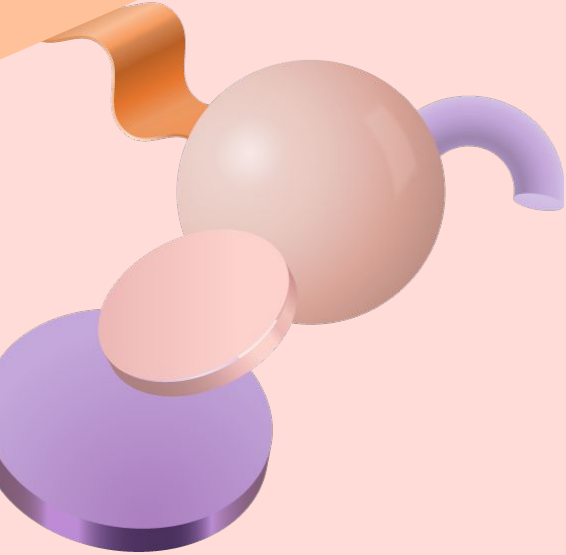

Palestinian

Perspective

Jews were buying Palestinian land; felt like they were losing rights

Read Again

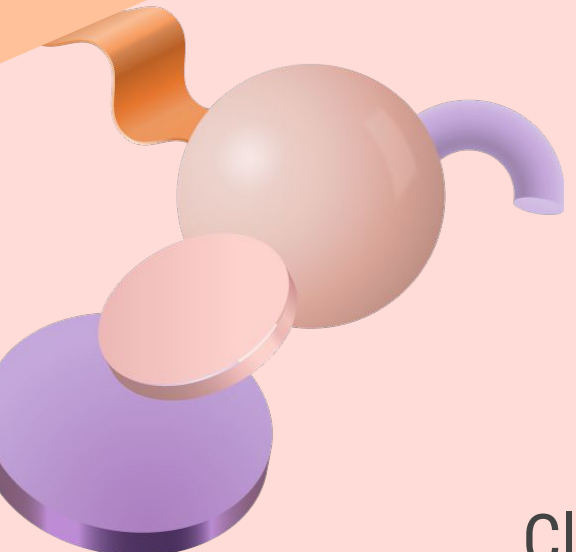

- Now read to get a solid understanding of your section.
- Then turn and talk, explaining your section to your partner.
- 5 minutes!
